OBJECTIVE

To develop strong analytical, problem-solving, and teamwork skills, enhancing my ability to design, implement, and optimize engineering solutions that meet real-world demands while upholding ethical and sustainable practices."

EDUCATION

- Sri Vasavi Engineering College
2024-present
Computer Science
- S.M.V.M polytechnic
2021-2024
8.5
- BHASHYAM
2020-2021
Secondary school certificate
10

SKILLS

- Technical:-C programming,Data Structure, Python,Java,FRONTEND developer-HTML,CSS
- Java script Non-technical:-Problem solving, Leadership, communication,team work

PROJECTS

- IOT PROJECT
I HAVE MADE AUTOMATIC ACCIDENT DETECTION AND PREVENTION USING IOT TECHNOLOGY

ACHIEVEMENTS & AWARDS

- Participation in Artificial Intelligence seminar by IIT Bombay lectures completed English Cambridge Certification certified.
- Certificated training certificate at BSNL SWITCHING CENTRE

LANGUAGES

- Telugu
- Hindi
- English
